PROFILE

A third-year engineering student with a strong foundation in programming and a keen interest in AI, full-stack development, and problem-solving. Passionate about leveraging technology to solve real-world problems and contribute to innovative solutions. Constantly seeking opportunities to apply theoretical knowledge to practical projects and challenges.

Highly motivated to learn and explore emerging technologies, with a focus on building efficient, scalable, and user-friendly applications. Eager to take on new challenges that foster professional growth and enhance technical capabilities. Open to internships and collaborations where creativity and critical thinking are encouraged.

CERTIFICATION

Data Structures

by MathsInDepth

OBJECTIVE

Aspiring Artificial Intelligence and Data Science student with a strong academic record, achieving a 10/10 pointer in semester 4 examinations. Currently enhancing my skills in web development and data structures and algorithms (DSA). I am actively seeking internship opportunities to apply my theoretical knowledge in a practical environment, contribute to innovative projects, and gain valuable industry experience.

SOFT SKILLS

- Effective Communication:** Able to clearly articulate ideas and collaborate effectively with team members.
- Problem-Solving:** Strong analytical skills to identify issues and develop innovative solutions.
- Adaptability:** Quick to learn new concepts and technologies, and able to adjust to changing environments.
- Teamwork:** Experience working in group settings, fostering a cooperative and productive team atmosphere.
- Time Management:** Ability to prioritize tasks and manage time efficiently to meet deadlines.

LEADERSHIP EXPERIENCE:

Publicity Department Member, Computer Society of India (CSI)

- Collaborated with team members to design and implement promotional campaigns for various events and workshops.
- Developed engaging content for social media and other platforms to increase event visibility and participation.
- Assisted in organizing events, enhancing communication between departments, and fostering a sense of community within the college.
